## Food & Entertainment

Named for the copper that was imported from the Falun copper mines in Sweden in 17<sup>th</sup> century, the Bar & Restaurant "Koper" evokes the feeling of being in a modern open loft apartment. The restaurant has been created by blending parts of an old Flemish merchant's warehouse, a Dutch Grand Café, a distillery from Geneva and a bourgeois kitchen from Hasselt with modern design elements from Antwerp and Copenhagen.

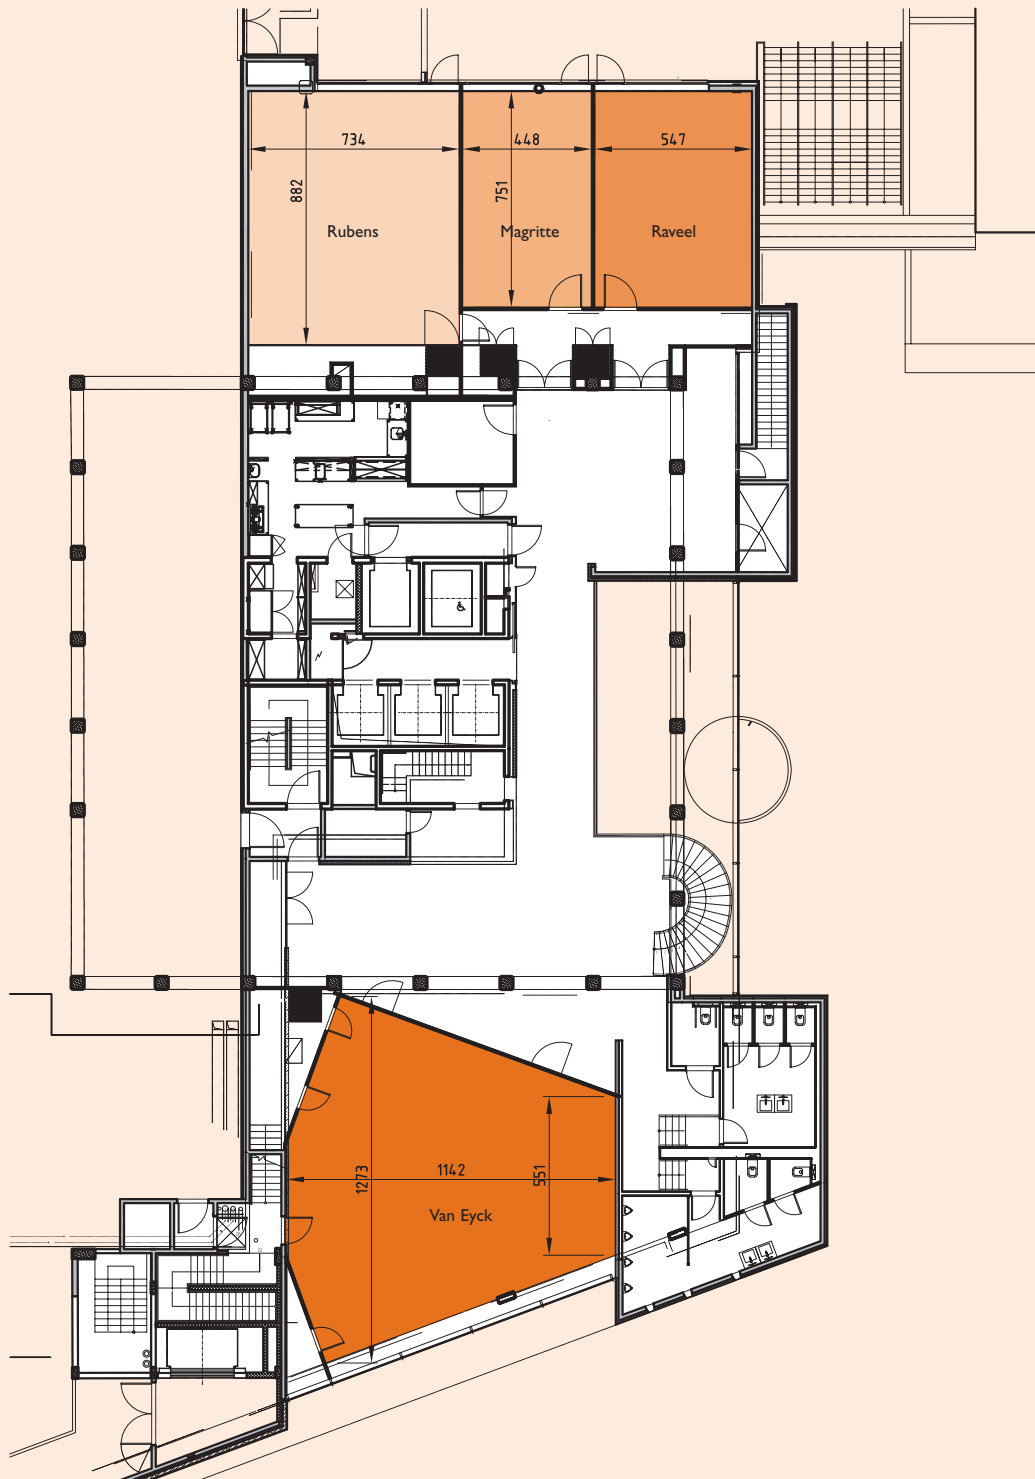

## Fitness & Relaxation

- Fully equipped fitness area including separate spinning room.
- Sauna & steam bath.
- Solarium.
- Swimming pool.
- Relaxation area with aromatherapy and massage showers.
